Enhancements

Title

CLS-13129 | 59432

Problem

1. When attempting to archive a Competency that was linked to a User's Competency Status, an error was being returned.
2. When attempting to edit a Competency that was linked to a User's Competency Status, the 'Active' checkbox was disabled.

Solution

1. Competencies that are linked to a User's competency Status can now be archived.
2. Competencies that are linked to a User's competency Status can now be edited, and made inactive.
